May I also add that Dad had an active part in civic affairs: Elected member of the Board of Education in the City of Hartford from 1911-1916, a City Alderman 1922-1926, Board of Finance 1925-1926,

The above-mentioned facts may not interest the Connecticut Society of Architects, but you cannot deny that you have lost an important individual as well as an exemplary architect.

Please forgive me for not having acquainted you with the facts sooner.

Many good wishes for the Society's continued good work.
